**“Wishing You All The Best”**

*You are unique and you have the capacities to do anything. Hence put your efforts to draw out your best.*

*From The Desk of the Director.....*

College is a platform where the students prepare themselves to face the world and Yash College of Education has striven to mould the personalities of students in such a way that they can face the perplexing, complex situations and challenges of life with confidence. We provide a plethora of activities for the judicious all-round development of youthful energies, properly channelized towards creativity and self-actualization. Our aim is pursuit of "Excellence in Education", which we try to achieve by incorporating and using latest innovative methods of teaching. Further, we are devoted to the task of inculcating in the young minds, values. With the explosion of knowledge and globalization of education across social, cultural and geographical boundaries, we provide our students with unique multi-cultural programmes. This on one hand helps our students to know about the socio-economic, cultural and educational scenario and on the other hand, takes our college and students to the national platform. Thus, our students have an edge over others as they are well equipped to face the global challenges.

## “Welcome You All in Yash College of Education”

*“Believe yourself and win the world...”*

*From The Desk of the Principal.....*

*“No printed word or spoken plea can teach young minds what they should be. Not all the books on all the shelves – but what the teachers are themselves.”*

The progress of a country depends upon the quality of its teachers and from this reason teaching is the noblest among all professions. To get the expertise in teaching profession, training is must. Training is necessary for efficient work in teaching profession. The purpose of training is to bring excellence in the profession. Training emphasizes on all round development of specific knowledge, attitude, skills and behaviour pattern which an individual requires to perform a job adequately. If we train a teacher, we develop those skills which are needed to him to be a good teacher. Keeping in view the fast changes in educational field around the world, Yash College of Education has developed rich resource centre in the field of Education Technology, Science & Mathematics, Psychology, Art & Craft, community contact programme, sports etc. The prime objective of our Institution is to equip teacher trainees with professional skills that are required to face the challenges of the competitive world.
